Commissioner for Patents  
P.O. Box 1450

Sir:

This is a full and complete response to the non-final Office Action having a mailing date of February 28, 2008. The three month shortened statutory period to respond to the Office Action has been extended by an attached three month extension of time and thus the response period expires on August 28, 2008, which makes this a timely filed response to the present Office Action.

In the Office Action those previously allowed claims were rejected in view of newly cited art. Now all claims in the case have been rejected as being obvious. In view of this Amendment and the Remarks, it is requested that the Examiner reconsider the outstanding rejections and allow this application.

**Amendments to the Claims** are reflected in a listing of claims beginning on page 2 of this paper.

**Remarks** begin on page 7 of this paper.
